

Mr Triangle

Happy birthday

Interactive board lesson

Puzzle time

In the Jungle

Mr Giraffe

Number 8

PP2 newz buzz

The year started well all the children reported back to school on the first day that we opened. The children have grown tall, big and have matured in their attitude.

We started the term doing revision of the numbers and sounds we learnt in the last term. We have been learning sounds r,n,m and numbers 6,7,8 and shapes.

Our project this term is wild animals and we will be visiting the animal orphanage and safari walk where the children will learn more and get to see some of the wild animals.
